Car Hits Train, Students Unhurt

Four Antioch high school students escaped injury Tuesday morning when an automobile slid into a boxcar of a moving train.

John Pocrnich, 17, of 501 First St., was driving the 1974 Ford

Mustang. His passengers were Matt Ring of Antioch and Sally and Susan Bzdawka of Lindenhurst.

They were on their way to school at 7:54 a.m., and were

westbound on Ida Ave., when Pocrnich said he saw the train going south and applied his brakes. He told police the brakes didn't work, so he pumped them but the car still slid into the train.

None of the students was injured but the front of the car was severely damaged and had to be towed to a local service station.

Johnnie Appleseed To Visit Antioch

One of Antioch's upcoming Bicentennial events will be a visit by none other than Johnnie Appleseed on Saturday, Apr. 24.

Johnnie will be here to plant more than 100 apple trees, each about 6 feet tall. He will be helped by the Northern Illinois Conservation Club, which is sponsoring his visit.

Starting Sunday, Feb. 1, anyone in Antioch township can sign up either at the State Bank of Antioch, or the First National

Bank of Antioch, to have a tree planted on his property on Apr. 24. Johnnie and his helpers will do the planting.

On Apr. 1, exactly 100 names will be drawn and the winners of the trees will be notified. They can then pick the spot on their property on which the apple tree will be planted.

Which Democratic candidate for governor can you believe?

Two months ago the incumbent, Dan Walker, called his opponent, Mike Howlett, part of a gang "hand picked" by Mayor Daley of Chicago.

He called that "gang" a collection of "big and wasteful spenders who actively worked to force the state to spend more than it has."

"Their election would guarantee a massive tax increase for the people of Illinois," Walker said. "For that reason alone, they must be defeated."

YESTERDAY, HOWLETT criticized Walker for "irresponsible budgeting and the highest spending in Illinois history."

Secretary of State Howlett says his record shows "caution in spending."

Each accuses the other of being the "Big Spender" the state can't afford. Democrats must choose between them in the Mar. 16 primary.

We do like Walker's concern about the people's fear of increased crime in the streets.

He says he supports laws that would make armed robbery punishable by "eight to nine years in jail," would allow no parole for life sentences, and

ON THE lighter side (let's hope), we have received some very interesting advice from an expert on diet and weight-loss. If you don't want to look like 200 pounds of silly putty, just follow these helpful hints:

1. Stagger your meals. Rather than following the three-big-meals-daily routine, experiment with six smaller ones.

2. Do not make the evening meal the heaviest. It's far

better to start the day with a heavy breakfast.

3. Do not eat every time you're hungry. Never let habit kid you into thinking it's hunger.

4. Stay active when dieting. The first few days are the hardest to keep your mind off food.

5. Eat slowly. Chew your food well.

6. Camouflage your portions. Purchase thin sliced bread, meats, cheese, etc. Use smaller silverware and plates.

7. Start off meals by eating

*Don't

the low-calorie items first. This way you may be full when you get to desserts.

8. Drink water frequently throughout the day in addition to minimizing your salt intake.

9. Do not fry any meat dishes. Broiling is the process for the weight-conscious individual.

10. Supplement your meals with necessary vitamins.

11. Whenever you undertake a diet, do not weigh yourself every day since this is sometimes quite discouraging. Once a week is plenty.

12. Above all, exercise as often as possible.

OKAY, HERE we go:
One, two, three, four, five, six, seven, eight, nine, ten.
There ... that's the exercise for the tongue. Next week we'll start on the body.

Let's have a kind word for hindsight. After all, it does show you the cop who's tailing your car.

BARRY GOLDWATER

Unnecessary Laws Cost You \$66 to \$475

By SEN. BARRY GOLDWATER

A report recently concluded by a Senate study group reflects the tremendous burden that government has placed on business in recent years.

The report found that in the past 10 years Congress has enacted more than 60 pieces of major legislation affecting the conduct of business. It estimated that the annual cost of unnecessary and wasteful regulation ranges between \$66 and \$475 for every person in the United States, for a total of somewhere between \$14 billion and \$130 billion.

OTHER CONCLUSIONS by the study group were as follows:

-The number of employees of federal regulatory agencies has grown from 55,300 in 1973 to 63,700 in 1975 - an increase of 14 percent.

-The cost of supporting federal regulatory activities has grown from \$1.5 billion in 1973 to \$2.1 billion in 1975 - an increase of 34 percent.

-The Environmental Protection Agency concedes that during the period from 1971 through June of 1975 its regulations have been directly responsible for the loss of 12,700 jobs and indirectly responsible for the loss of more than 33,000 more.

-More than \$250 million and a

quarter-billion gallons of fuel are wasted annually because federal regulations force many private carriers to return to their home bases empty.

-The cost of filling out and filing federal forms has risen from 97.8 million man-hours in 1967 to 130 million man-hours in 1974 - an increase of 32.2 million man-hours a year (20,000 man-years).

-The estimated cost of providing the "line of business" data required by the Federal Trade Commission is estimated by its staff to be \$190 million per year.

-Truck and rail rates are estimated to be inflated by 20 percent because of Interstate Commerce Commission regulations, thus adding \$16 billion per year in unnecessary consumer costs.

-From 1972 through 1981 the private sector will be required to spend \$112 billion in capital investment to comply with (ital) existing (unital) environmental laws. Note: Each million dollars invested in productive capital normally generates approximately 100 new jobs.

Woman's Club Begins Its 1976 Schedule

By MABEL LOU WEBER

The first Antioch Woman's Club meeting of the Bicentennial year was held last week at the First National Bank meeting room. President Irene Hahn presented a special guest, Lorraine Middleton, president of the 10th District Woman's Club.

Mrs. Middleton had the "Bicentennial Quilt" with her and everyone present was impressed with the beauty and workmanship involved in the quilt.

The quilt is a project of the 10th district as each club prepared an original square.

The Antioch Club's contribution was sketched by Karen Wilton and the emblem was sewn and completed by Esther Jacobsen. It is located in the upper right hand corner of the quilt.

The quilt will be used for a money-making project for the 10th district for scholarship awards.

THE PROGRAM, "Taking Care of Plants" was presented

by Bob Smith of Lasco's Florist and Greenhouse. Bob, known as "Smitty, Your Friendly Plant Doctor," gave the women many suggestions and helpful ideas on how to keep your plants healthy and alive. Bev Reckers, a partner of the firm, assisted Bob.

The hostesses were the Mesdames John Boarini, Charles Ackerman, Elroy Anderson, George Bayrd, William Channon, Jacob Feiler, Michael Haley, Edward Jacobs, William Petty and Matt Willems.

The Monday, Feb. 2nd meeting will be held at the First National Bank and the program for the afternoon will be "Acupuncture and the Management of Pain," presented by Joseph H. Yao, P.T.

MAKING PLANS for the Feb. 14-15 Ice Fishing Derby on Channel Lake are Bill Brook (left), executive vice-president of the Northern Illinois Conservation Club,

and Ernie Di Labio, president of the club. The Antioch event is Illinois' richest and largest winter festival.

Ice Fishing Derby Feb. 14-15

Continued from page 1

The largest of each of the noted species caught each hour will win a prize, as will the largest of each species each day. The oddest catch each day will also win, and the largest fish caught both days will receive a prize for its captor.

A total of 200 tagged fish are released in the lake and special prizes will be awarded to those catching any of these, starting on derby day. Those catching tagged fish any time after the derby closes can receive prizes by bringing the tag to William E. Brook at the State Bank of Antioch.

The tags are numbered and marked.

Other events include ladies and children's fishing contest, men and women's auger contests, men's chisel competition, ladies, men and children's sack races, and egg-throwing contests for men, women and others.

Little children will try to beat each other out in a penny scramble for 25 pennies, supplemented by onlookers who pitch in dimes, nickels, quarters and half-dollars.

A PRIZE will be given for the most colorful fishing shanty on the ice, plus one for the best. The oldest man and woman fishermen will receive prizes. Awards will be made for guessing the correct number of minnows in a large jar, and also for guessing the correct weight of a block of ice. A prize will even be given for those who fail to catch a fish.

The derby starts at 9 a.m. each day and first prizes are awarded at 10 a.m. followed by hourly awards throughout the day. Rules governing the fishing contests will be posted on the headquarters building.

EASY ACCESS to the lake is through Mr. Wonderful's Resort

with parking available there. Additional parking is available at Steve's Channel Inn on Route 173 and in the surrounding areas.

Hot food and refreshments will be served each day until 4 p.m. and restroom facilities will be conveniently located.

The 1975 derby attracted more than 7,000 persons during the two days.

THREE BREEDS of dogs, malamutes, huskies and Alaskans will make up the racing

teams. These dogs average in cost from \$200 to \$1,000 and the sleds, equipment, insurance and food run into hundreds of dollars for each dog per year.

All races will start and finish in front of Derby headquarters on the Channel Lake ice, adjoining Mr. Wonderful's Resort. Ice Patrols will assist the racers and others needing help.

There will be weight-pulling contest for single dogs. Last years winner was a dog that broke loose a 1,000 lb. weight and pulled it steadily.

FNB Co-Sponsors Olympics on TV

The Winter Olympic Games to be held in Innsbruck, Austria, will come alive for U.S. viewers on ABC-TV, thanks to their sponsorship by the First National Bank of Antioch as a member of the American Bankers Association (ABA).

Television coverage of the winter sports classic will total 43½ hours between Feb. 3 and 14, with prime time accounting

for 70 percent (30½) hours of the telecast time.

According to ABC estimates, the projected number of U.S. homes that will view the 1976 Winter Games is 71 million.

To help illustrate banking's role in community growth, the ABA commercials will be shown during telecasts of the winter sports spectacular.

Mother Nature is a remarkable woman, but she still can't jump from summer to winter without a fall, nor from winter to summer without a spring!

Jim Lumber's Campaign Begins With a 'Blitz'

LUMBER VOLUNTEERS "BLITZ" ELGIN - Jim Lumber, Antioch attorney and Democratic candidate for Congress in the 13th District, enlisted the aid of 145 volunteers Sunday to help distribute campaign literature throughout the Elgin area. Shown here is Mrs. George Van Kirk, of Elgin, being visited by Jim Lumber, his wife Barbara, and their oldest son Jimmy.

Heavy snow didn't deter some 145 volunteers who turned out in Elgin Sunday to campaign for Jim Lumber, Antioch attorney and Democratic candidate for Congress from the 13th Congressional District.

Fanning out from their staging area at the VFW Hall, Lumber volunteers spent all day distributing Lumber-for-Congress campaign literature throughout Elgin township.

"It's been the best day of my campaign to date," Lumber said. "The turnout was fantastic. We had expected about 125 people, but instead we wound up with 145 workers. I think our show of organization and volunteer strength was equally impressive with the fact that our workers knocked on nearly every door in the greater Elgin area."

A SMALLER group of Lumber volunteers had already "softened up" the area by handing out his literature Friday and Saturday in Elgin area shopping centers.

"By the time our volunteers hit the streets Sunday," Lumber said, "many of the residents they visited had already received our campaign message."

Ray Marotte, Lumber's campaign manager, said "the snow storm really didn't hurt us - in fact, I think it even helped. Many volunteers reported that residents were quite surprised and impressed to see political supporters out working in such bad weather."

But according to Marotte, the Please turn to page 9

Ask the Old Farmer: I recall that my New England-born grandmother occasionally prepared an item called "keach cakes" many years ago. Have you ever heard of these and, if so, how are they made? T.G.B., Washington, D.C.

No more than flour pancakes. The word "keach" means to scoop or

ladle (picking up the batter, likely).

Home Hints: Make sure the pan you are using is big enough when cooking rice. It swells three to four times its measure... **Riddle answer:** Because they lie too long in them.

Lumber Campaigns in Elgin Area

Continued from page 8

storm did take its toll. "Unfortunately, several of our people came back bruised and scratched from falls they'd taken on icy steps and sidewalks."

After interviewing returning volunteers, Lumber said he'd found proof of something he's suspected for several months.

"A significant number of the residents we visited expressed a deep dissatisfaction with the performance of the incumbent congressman, Robert McClory, and most of those dissatisfied people were Republicans," he said.

"IN AN AREA that has been

so traditionally Republican," Lumber stated, "I think the feelings of those people add considerable weight to my belief that the 13th District citizens are fed up with constituent neglect. Robert McClory simply isn't representing the people he serves."

For many of Lumber's Sunday volunteers this was a political baptism.

One worker, Ed Abderholden, of Antioch, said, "I've never worked in a campaign before, but I'm finding it very exciting. While handing out Jim's literature, I talked with a wide range of people, and that idea about public apathy is sheer nonsense."

Abderholden also said, "I

found that people do care, that they are concerned with their government, and that whether or not they are Democrats or Republicans, most of them are eager to hear your candidate's views on current issues."

THE CAMPAIGN blitz had its lighter moments. One volunteer reported that he met an elderly lady who told him, "Young man, you don't know how glad I am to see you. I've been surrounded by Republican neighbors for so long that I've almost forgotten how to spell 'Democrat'."

Responding to a question about the wisdom of a Democratic invasion into a Republican turf, Lumber said:

"I think the race for the 13th Congressional District has already stepped beyond party affiliation. Independents and people from both political parties simply want to be better represented in Washington. They're not getting it now, and they're ready to do something about it - regardless of party ties. They want a Congressman who is willing to perform the 'errand boy' functions they need - someone who will find their missing Social Security check, clear up a problem with the VA, or teach local businesses how to compete for government contracts. Apparently, Robert McClory has underestimated the type of job his constituents expect from their Congressman."

High School and Emmons Amend Policy on Lunches

Antioch Community High School and Emmons Grade School have announced they have amended their policies on reduced price meals.

In accordance with public law, school officials adopted the following family size-income criteria for determining eligibility under the free and reduced price lunch or breakfast program.

The first number in each paragraph is the family size, followed by the family income for free meals and milk, and then the income for reduced price meals:

- 1, 3,230, 5,040.
- 2, 4,240, 6,620.
- 3, 5,250, 8,200.
- 4, 6,260, 9,770.
- 5, 7,190, 11,210.
- 6, 8,110, 12,650.
- 7, 8,950, 13,970.
- 8, 9,790, 15,280.
- 9, 10,550, 16,460.
- 10, 11,310, 17,460.
- 11, 12,060, 18,820.
- 12, 12,810, 20,000.

Each additional family member, 750, 1,180.

CHILDREN FROM families whose income is at or below the level shown are eligible for either free meals and free milk, or reduced price meals.

Families not meeting the income criteria, but with other unusual expenses due to high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses may also be eligible.

In addition, children whose parents or guardians have become unemployed are eligible for free or reduced price meals or free milk, provided that the loss of income causes the family income, during the period of unemployment, to be within the eligibility criteria.

APPLICATION FORMS are

available at the principal's office in each school. If you feel that you may be eligible, you are urged to contact the school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications can be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them, and wishes to apply for such meals and milk for these children, they should contact the school.

All children are treated the same regardless of ability to pay.

John Fanella, computer.

There's a "device" in this room that's equipped with an immense memory bank that can receive customer complaints, sort through a maze of lines and cables, then send a crew to the trouble spot, all in a matter of minutes. That's him in the striped shirt.

His name is John Fanella and he's one of the many Edison dispatchers who are ready for action 24 hours a day, 7 days a week. Because when there's an emergency, it's the dispatcher who gets the call. He's the man who uses raw

information and his powers of deduction to estimate where, along the thousands of miles of overhead lines and underground cable, the problem lies. He's the man who then sends out the emergency crews to track it down and solve it. And because electricity is so vital to the welfare of a city, he must do all this with computer-like efficiency—whether the problem is an overloaded transformer or a tornado.

John Fanella has been through storms so bad that emergency crews had to be called in from as far away as Colorado. He's worked through the night restoring electricity

to a factory so people could go back to work in the morning. He's even sent out a man to rescue a pet cat stranded on a pole.

In a day when some companies rely heavily on the impersonal response of a computer, we're glad to have John and our other dispatchers. As he puts it, "I have the highest respect for this department and our people. They're the most dedicated people I've ever met. But you've got to be dedicated to be in this business."

CLC Offers Sexuality Seminar

The College of Lake County is offering a Human Sexuality Seminar beginning Feb. 4. The seminar will run for four consecutive Wednesdays, from 1 to 4:30 p.m.

"The purpose of this seminar is to assist participants in gaining a better understanding of themselves, acquire accurate sexual information and develop an awareness and appreciation for the differences of others,"

explained coordinator Larry Whittier. "Ignorance about sexuality is plainly visible in today's society when one considers the venereal disease epidemic, birthrate among teenagers, and the many unwanted pregnancies."

The seminar fee is \$15. Interested persons can call the Counseling Center for information, 223-6601, extension 400.

In the bottom photo, Joe Sterbenz, co-owner of the bowling lanes, awards Roy a prize of \$300.

George Keulman Wins Another \$15

George Keulman of Rt. 3, Box 5, Antioch, beat out a flock of entries in last week's Antioch News basketball contest.

And it was his second victory of the season. A few weeks ago George won a \$15 savings account at the Antioch Savings and Loan Association. This time he wins a \$15 gift certificate at the Piggy Bank Discount Store.

George's wife, Katharine, also won a \$15 prize in the contest during one of the weeks of this basketball season. An amazing record for a husband and wife, considering the large number of entries received each week.

GEORGE ACCURATELY predicted that Antioch would beat Cary-Grove by 11 points in last Friday's game here. Two others also forecast an 11-point victory for the Sequoia, but George came closer in the

tie-breaker, predicting that Antioch would beat Lake Forest by 11 points on Saturday night. Antioch won by 19.

Gary Doolittle picked Antioch over Cary by 11 and Antioch over Lake Forest by 9. He wins second prize, a \$10 gift certificate at Rittenhouse & Embree Lumber Co.

Tammie Traves said Antioch would beat Cary by 11 and Lake Forest by 3. She wins third prize, a \$5 gift certificate at The Vault Restaurant.

The prizes will be in the mail soon.

Missing by only one point last week were Tony Besson, who said Antioch would win by 10 points over Cary-Grove, and Allan Pigi and Dave Gutowski, who both predicted Antioch would triumph by 12.

Another contest appears in today's Antioch News. Once again a total of \$30 in prizes

Antioch Frosh 5-1 in League

Antioch's freshmen basketball team improved its conference record to 5-1 with an impressive 58 to 32 win over the visiting Cary-Grove Trojans.

Antioch led all the way as it raced to a 26 to 13 halftime lead.

Ten players scored for the Sequoia. Chris Oddsen took game honors with 16 points and 12 rebounds. Mike Lischewski provided good support with 14 points and 10 rebounds. Roger Korjenek chipped in with nine points and Greg Bodin added six.

Coach Norm Hahn credited the win to good team defense and rebounding, and good shooting. Antioch shot 47 percent from the field and an excellent 75 percent from the free throw line. Hahn also praised Dave Gutowski for a good floor game as he broke the Cary-Grove press and had five assists.

The freshman "B" team also won easily, 58-32. Steve Dauck led with 10 points as 12 players scored for the Sequoia.

The next freshmen game is at Round Lake on Friday at 4:30 p.m.

EASY PITCH FOR MITCH—Mitch Witt of Antioch is all alone under the hoop as he scores in last Friday's victory over Cary-Grove. The team's third-best scorer with an 11-point average, Mitch came back Saturday night and scored 21 in the win over Lake Forest.

Sequoits (6-0) Face Round Lake

Things are looking better for Antioch's Sequoits as they battle their way toward a third straight Northwest Suburban Conference basketball championship.

The Sequoits enjoy a 6-0 record in the league after holding off Cary-Grove 77-66 last Friday night. Then they beat Lake Forest Saturday, 82-63, in a non-conference game to boost their overall record to 11-4.

Another interesting conference assignment awaits them at 8 p.m. Friday at Round Lake. The Panthers of Round Lake have a 2-5 record in the well-balanced conference, but they almost came from behind to beat Grayslake's Rams last Friday before losing 61-58.

ANTIOCH BEAT Grayslake by only two points on Dec. 12. Observers said the Round Lake coach "had his kids sky high" for last week's game and the Panthers will be "up" again for their shot at Antioch.

In fact, the Sequoits' remaining conference schedule looks like a field of land mines - one dangerous foe after another.

But at least the Sequoits have opened a lead in the standings and are improving with each game.

Their 6-0 record gives them a nice advantage over second-place Woodstock, which is 5-2. Antioch plays Woodstock here Feb. 21.

Stevenson has fallen off the pace with a 4-2 record, while Wauconda, Warren and Grayslake all have 4-3 marks.

Stevenson, Warren and

Grayslake all get a shot at Antioch before the race ends. So does Grant, another dangerous rival.

ANTIOCH LED Cary-Grove 60-44 after three quarters last Friday, then the Cary press began to trouble the Sequoits and the visitors closed the gap to eight points.

"But our team collected itself and surged to a 16 point lead," said Coach Roger Andrews. "Our team is improving with each game."

Andrews praised the Sequoits' rebounding - they had a 36-26 edge over a much taller Cary-Grove team.

The coach also praised "fine playmaking by Jon Bodin, who had 10 assists; a very good defensive game by Bob Dubek; a strong game from Scott Kimball, and just a super-duper game from George Ferguson."

FERGUSON WAS in the right spot all night, the coach said, scoring, rebounding and intercepting passes. "And Pat Houghton gave us a lift in the second quarter as he filled the playmaker role," Andrews said.

Ferguson finished with 28 points, all on field goals, and had 13 rebounds. Kimball scored 19 and Dubek 16. Houghton

hit on all three of his shots for six points.

IN THE 19-point win over Lake Forest, the Sequoits gave another fine effort.

"I couldn't be more proud of the team. It is really improving," Coach Andrews said. "They did a real good job of attacking the pressure defense applied by Lake Forest. Our team defense helped Kimball hold their top scorer to only 12 points, far below his usual total."

"Again the board play was great, with a 32-16 edge for Antioch," the coach added. "And we hit on 60 percent of our shots from the field - good shooting. Ferguson had another fine game, as did Mitch Witt. Dubek, Bodin and Houghton played leadership roles."

Ferguson led scorers with 22 points, while Witt had 21 and Kimball 17.

Season averages for the five starters are Kimball 19.2, Ferguson 14.0, Witt 11.0, Dubek 8.7 and Bodin 7.6.

Softball Tourney Still Open

There are still openings for more teams in the second annual Snowball Softball tournament scheduled Saturday and Sunday at Furlan's Dug Out park in Trevor.

The single elimination tournament will be played with 16-inch softballs colored red, white and blue. Tires will be used for bases.

Persons wishing more information can call Tom Furlan (414) 82-9136. The entry fee is \$25.

"We're also thinking spring," said Furlan. "A meeting will be held Thursday at 8 p.m. at the Dug Out Inn for our women's softball league. Teams interested in either 12-inch or 16-inch leagues should send a representative. We're on Hy. 83, two miles north of Antioch, in Trevor."

In Scotland long ago to bite your glove was considered a pledge of deadly vengeance.

"People always ask if I can save them money on car insurance. It's amazing how often my answer is, 'yes.'"

At State Farm we have low mileage rates, low rates for people who've joined car pools, a two-car discount, a safe bumper discount, discounts for good students and young drivers who've taken a driver's training course. If you want to know if I can save you money, just give me a call or come in and see me.

Wrestlers Are 13-4; Face Round Lake Here

Antioch's varsity wrestlers met five rivals last weekend and beat four of them.

The local high school team, coached by Ted DeRousse, now has a 13-4 record for the season and is 7-1 in the Northwest Suburban Conference.

The Sequoits will perform at home Friday, 6:45 p.m., against Round Lake, then travel to Lake Zurich Saturday at 1 p.m. to end their dual meet season.

After that, they will prepare for the conference tournament at Grant Feb. 6-7 and the district meet here Feb. 13-14.

LAST FRIDAY, Antioch faced Carmel and triumphed 30-21. It was a double dual meet and the Sequoits also whipped Cary-Grove 48-5 the same night.

On Saturday the Sequoits went to Rockford for a triple dual meet, beating Boylan and McHenry but losing to Auburn. "A long bus trip, plus a strong

Auburn team, proved to be our downfall," said Coach DeRousse.

But Antioch came back to beat Boylan, a team stronger than Auburn, by a 28-22 score. Against McHenry, Antioch won easily, 57-2.

Tom Dye, at 98 pounds; John Kakacek at 138 and Bob Ducato, heavy weight, came through the weekend with five wins and no losses.

Dye now has an 18-3 record and Kakacek is 20-5.

Other Sequoits with outstanding won-lost records include Marvin Gibson at 112 pounds, Robin Aerne at 119, and Greg Nordstrom at 132.

Jayvee Wrestlers Have 9-0-1 Record

Antioch High's Junior Varsity wrestlers scored two more wins last weekend, 42-9 over Carmel and 30-18 over Cary-Grove. They now have a season record of nine wins, no losses and one tie.

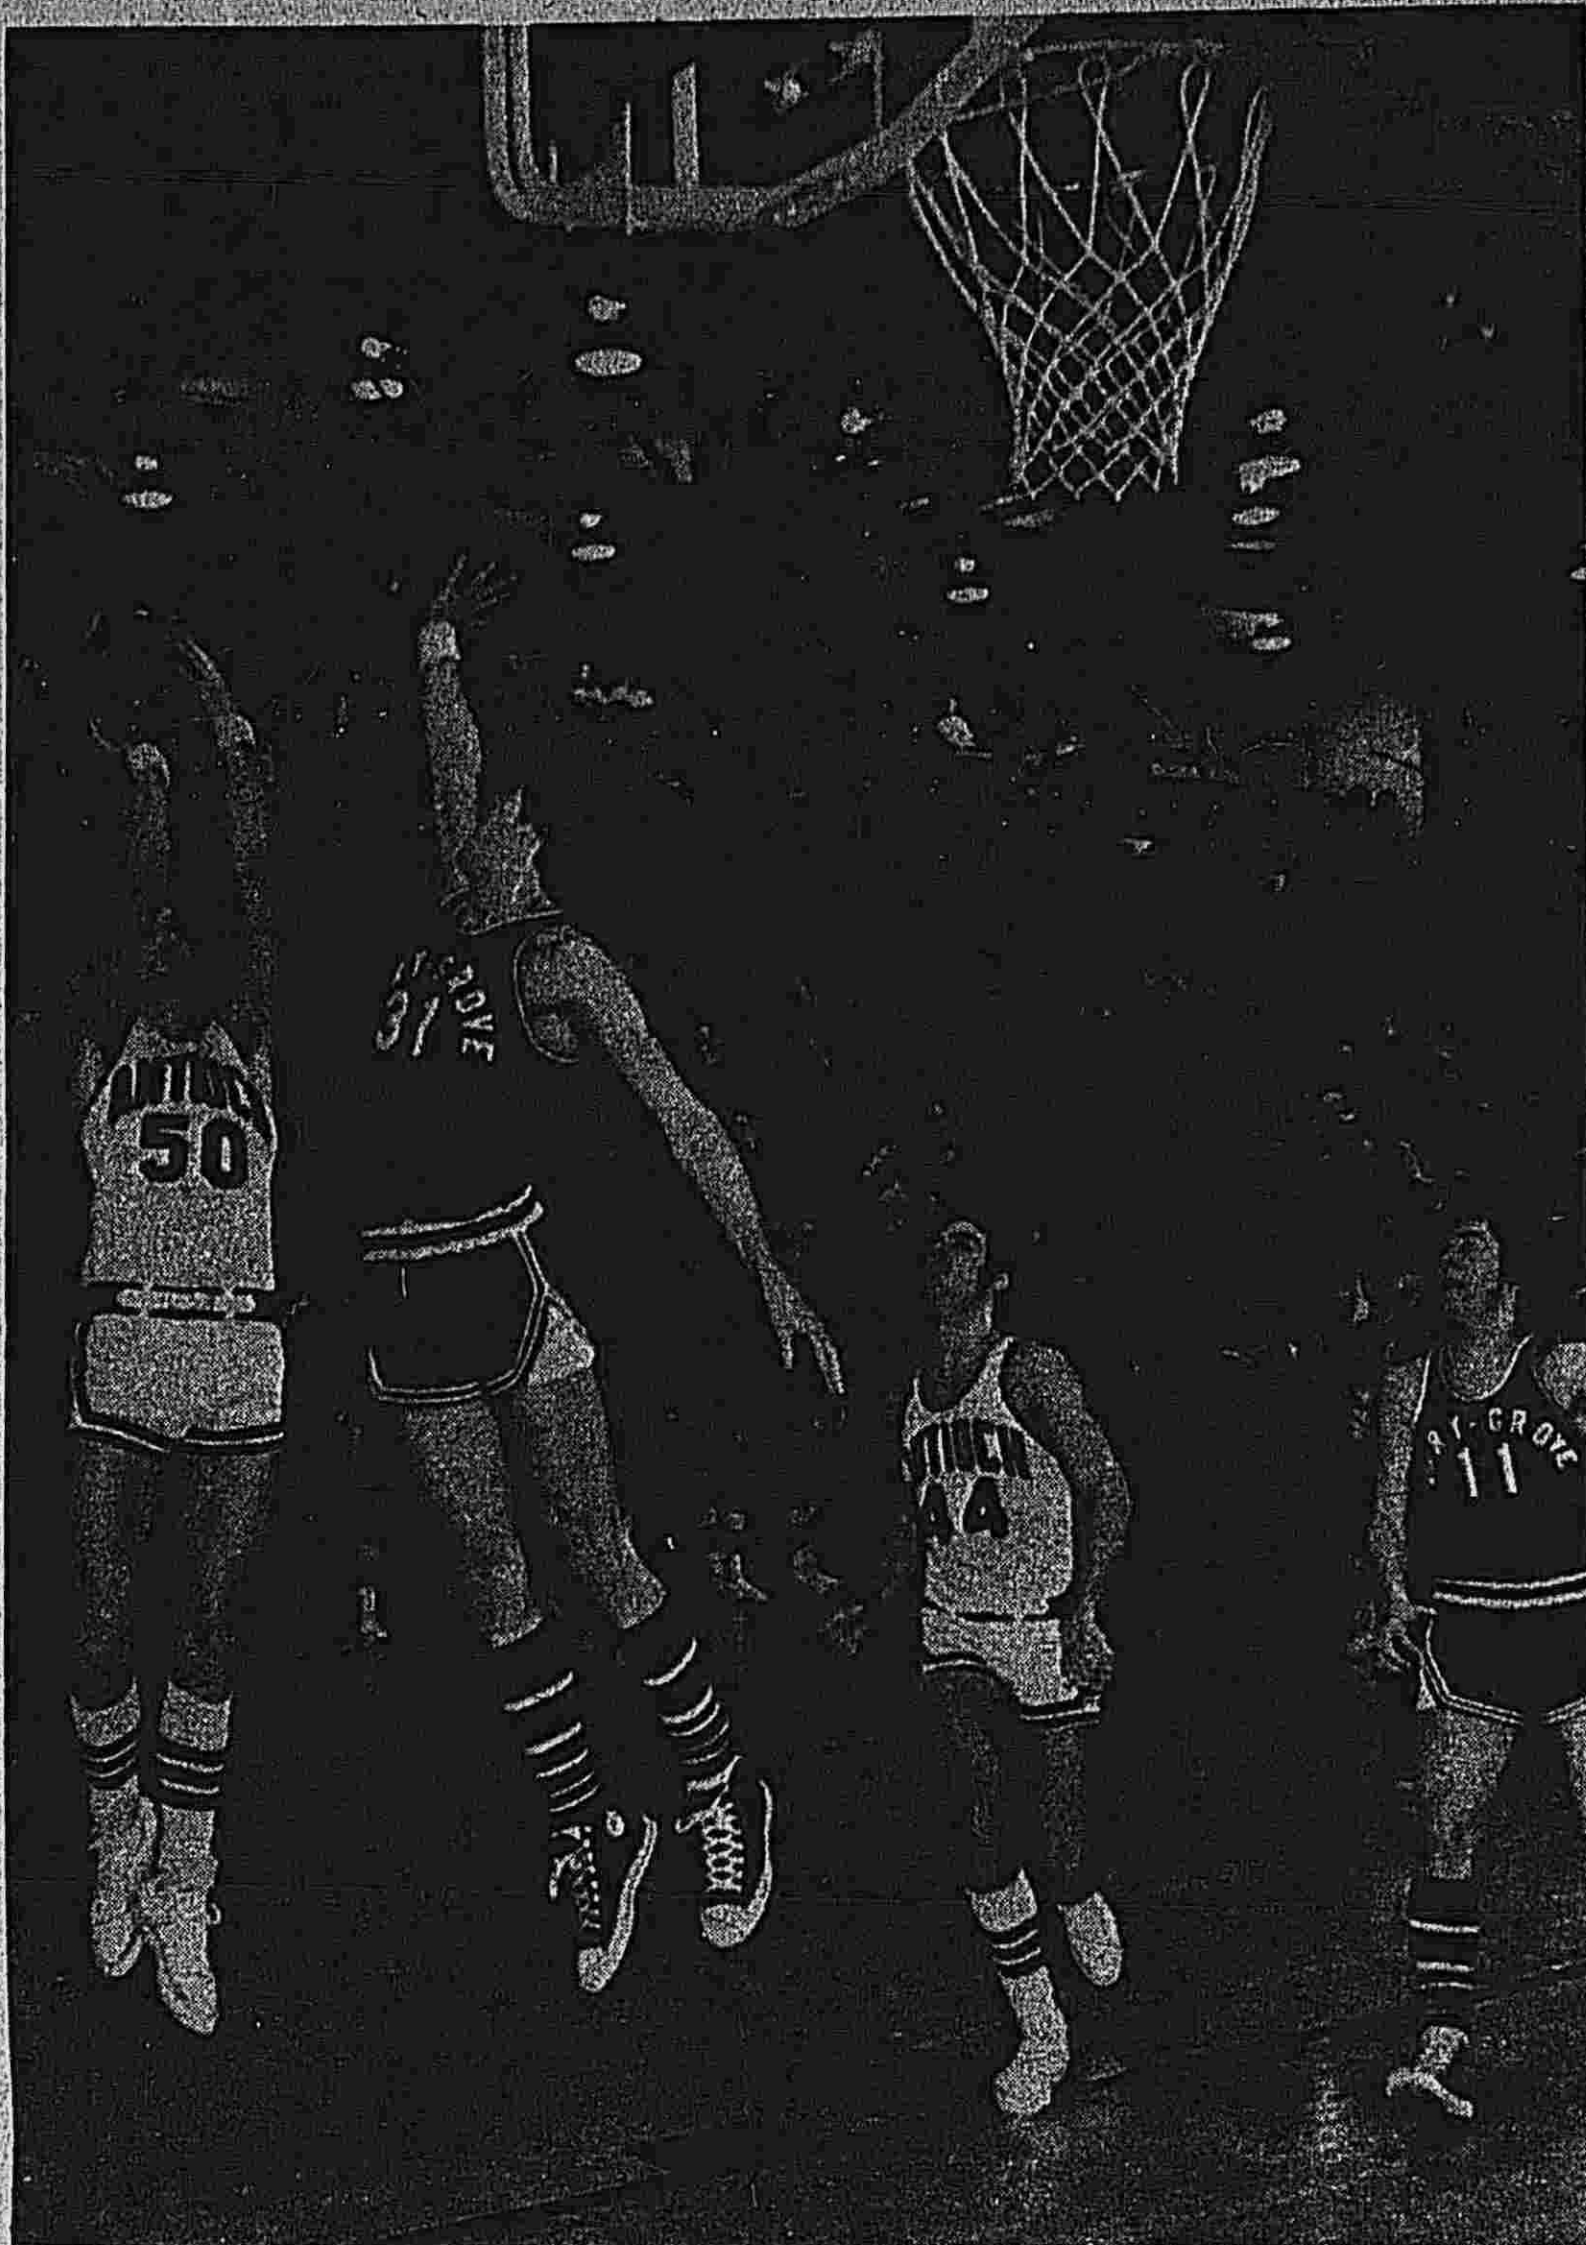

Tim VanderMeer and Bill Hudson both won by falls

against Carmel. Scoring decisions were Rich Dauck, Del Gorski, Rich Whitton and Jeff Gross.

Randy Larsen and Gorski led Antioch against Cary-Grove.

The Junior Varsity No. 2 team went to Rockford Saturday, tying McHenry 29-29 but losing to Rockford Auburn 33-23. Gorski led the local team with three wins in one day. Double winners were Glen Kaht, Randy Larsen and Kirk Sarmont.

The Antioch Jayvees will wrestle Round Lake here at 6:45 p.m. Friday. On Saturday, they compete in the Palatine Junior Varsity tournament.

TWO MORE FOR GEORGE -- Antioch's George Ferguson hits on two of the 28 points he scored Friday night in the Sequoits' 11-point victory over Cary-Grove. Ferguson (50) made all of his points on 14 field goals. No. 44 is Scott Kimball, Antioch's leading scorer this season with a 19.2 average.

10 Straight Wins For Antioch Sophs

Two victories last weekend extended Antioch's sophomore basketball team's winning streak to 10 straight and gives the future Sequoits a season's record of 13 wins and 3 losses.

In conference play the sophs lead the league with a 6 and 0 record.

In Friday's game Antioch defeated Cary-Grove 66 to 41. The sophs played a fine game, quickly adjusting to the various defenses used by Cary-Grove.

Bill Dubek led the Antioch team with 22 points, 7 rebounds and 6 assists. Brian Andrews added 13 points and was credited with 6 assists, followed by Tracy Sodman with 11 points and Tom Huebner with 10 points and 5 assists.

On Saturday, the sophs played another good game, winning over Lake Forest 61 to 46. Dubek again led the squad with 24 points, 5 rebounds and 4 assists. Tom Huebner collected 9 points and 7 rebounds followed by John Eder with 8 points, Tim Huebner with 6 points, Andrews with 5 points, 4 rebounds and 7 assists, Sodman with 5 points and 6 rebounds, and Dennis Korjenek with 4 points and 7 assists.

Antioch continues conference play this Friday with a sophomore game at Round Lake, 6:45 p.m. The varsity teams play at 8.

Apaches Win At Wrestling

The Antioch Upper Grade School's wrestling Apaches continued winning last Thursday, defeating Lake Zurich Junior High 65-20. The local team is coached by Ken Anderson.

The "A" squad's winners included Mike Rizzo, Frank Heiselman, Jon Gibson, Rob Crowell, Mike Hogan, Kevin

Murphy, Scott Peterson, Hal Fox, Chuck Bogaerts, Ted Bessette, Mitch Case and Scott Buxton.

In recent matches the Antioch matmen have defeated teams from Deerfield, Wauconda and Butterfield.

A few of you downtown merchants deserve a spanking, and I've a good mind to take you over my knee.

For goodness sake, can't you do a better job of keeping the snow shoveled in front of your stores?

We're so proud of our downtown, except that this is one area in which it has been disturbing at times. Our village officials have received several complaints.

But in all fairness we'd like to thank the many merchants who have done an excellent job of making sure that some of us older folks don't slip and break our brittle bones.

HEAR TELL that Sunday's "Pop Day" at St. Peter's was a barrel of fun.

And the "Outstanding Pop" award went to a Mom - Frances Ksioszk. Her son, Steve, wrote the winning essay, telling what a super-great person his Mom really is.

The basketball game between the Dads and the eighth-graders

was a thriller, with the Old-Timers beating the kids by only one point.

The Pops tried to bribe the referee with jelly beans, but that didn't work. I guess it was the cheerleading of the Moms that inspired the old chaps to victory.

Our sports reporter heard there was a pro basketball scout in the audience and that this gentleman said some of the hook shots made by Jim Olson were "unbelievable."

LAST SUNDAY was a special day for Lenora (Leider) Price in Tucson, Ariz. A belated Happy Birthday, Lenora. Lots of us in Antioch were thinking of you.

And we also remembered Jane Verkest's birthday on Monday. A former Antioch resident, Jane is now living in San Diego, Calif. (We hear the weather out there is ideal, Jane. How about packaging some of it and sending it back to this miserable climate?)

I'M SURE going to be busy this weekend.

On either Friday or Saturday night I must visit The New Place, where they have music from the 1940's and 50's in addition to Rock 'n' Roll. They have a new "Happy Hour" at The New Place. Be sure to see the ad on page 10.

Then I must stop at The Brauhaus where Randy Roberts and the Rebellairs are performing on Friday and Saturday nights. That's Country Rock at its best!

And don't forget the big venison dinner at the Golden Ochs Saturday and Sunday. Saturday night's feast will include live music.

OVER AT Lorenz's Smart Country House, there's dancing

to the Silent Majority on Friday and Saturday nights. Always a delightful stop; I love the atmosphere there.

THOSE OF us who like to kick up our heels are also enjoying the dancing every weekend at the Norshore Resort. Jim and Rose Means, and Willy and Cindee Arduino, sure are making that a popular place.

ELSIE HAYS was really excited on Jan. 20 when John Drury (Channel 7, Eye Witness News) and his crew called on her. It was learned that she was working backstage at the time of the Iroquois Theatre fire. Many questions were asked and Elsie had some pictures she was able to show.

Then the cameras, lights and microphones were set up and Elsie was being filmed. Two of her good friends came over to

console and assist in the confusion. The tentative date for Elsie to be on television is Feb. 23 on Eye Witness News.

THE DIAMOND Hashers Square Dance Club of Antioch is inviting folks to a FREE introduction to square dancing on Thursday, Feb. 5. If you are interested but your partners are in doubt, let them show how much fun can be had, learning the national dance, for this bicentennial year.

This night of fun and introduction to square dancing is from 7 to 9:30 p.m. at the Antioch Lower Grade School, corner of Main and Depot streets. Refreshments will be served.

Anyone from 14 to 100 is eligible for the beginner's class which starts Feb. 12. The instructor will be Ted Palmen of Bristol.
